## Adult Summer Reading 2017

### Passive Programs

**Battle for Lybreria:** This program lasts the entire Summer Reading and is for adults and teens alike. Players will compete through reading and writing to conquer the land of Lybreria. As a member of a noble house, each participant (participation is not required) will contribute points for reading and writing. These points will translate into conquests of various provinces in the land of Lybreria. At the end of SRP, the house with the most provinces conquered will become the new rulers of Lybreria, have their house engraved on the Lybreria cup, and all participants will receive prizes for their efforts. More detailed rules and descriptions will be available in the SRP registration packets.

### Active Programs

**House meetings and a Movie:** Every Friday starting at 11:30 am we will have a house meeting followed by a movie. The house meeting is for “Battle for Lybreria” participants to discuss vital strategies such as declaring wars or alliances with other houses and general upkeep. Meetings will last about 15-20 minutes. After this everyone is invited to stay for a movie. We will be screening the entire Harry Potter franchise, one a week, starting with “The Sorcerer’s Stone” and finishing the last week with both parts of “The Deathly Hallows”.

**Build a Better Space:** Saturday June 17<sup>th</sup> at 3 pm we will host de-clutter expert Susan Gardner. She will advise you on how you can de-clutter your life by de-cluttering your space. **Build a Better Garden:** Want to become self-sustaining? Let us put you on the path. Join us on Friday June 23<sup>rd</sup> at 5:30 pm when we invite Master Gardener Larry McNabb to teach us an introduction to square foot gardening. This will be a program you can really dig!
