

Program Information ★ Indicates a number is required

Bob Tarter— Are you ready for the return of Bob Tarter and the NHECM animal crew? “Desert Adaptations” will feature animals with special skills and physical features that allow them to survive on unique prey, little water, and very few resources. Recommended ages 5+★

Build a Better Environment: Smokey Bear and Friends— Meet Smokey Bear and learn how to protect the environment we live in! A nature walk will follow. Recommended ages 5+★

Building a Garden—Our friends from the Master Gardeners will talk about gardening for kids. Plant a seed and take it home to grow! Ages 5+

Building Creativity: Crafts—Hands on crafts. Parental assistance may be required. All ages.

Building Healthy Bodies: Yoga— Nicole Pugh, certified yoga instructor will lead a child friendly yoga session, focusing on visualization, breathing, and stretching. Ages 3-7—June 13th / Ages 8-12—June 14th.★

Cookeville Community Folk Orchestra—Come experience this unique teaching orchestra as they share their love of music! All age welcome!★

Lego— We provide blocks, you provide creativity! Each week, we will have a different theme to build to. Ages 5+ (strict due to choking hazard)

Let's Build Something! - Visit different building stations, build tall towers, get creative, and have fun! All ages.

Lunch— Meals are provided by the Putnam County School System, and free of charge to anyone ages 18 and under. First come, first serve.

Minecraft Builders Guild—If you DIG Minecraft, come play with us in the Children's Library! Ages 5-11 play 3-4:30pm. Ages 12 and up play 4:30-5:30pm. Children under 10 must remain accompanied by an adult.

Movies— Movies are rated PG. Parents must stay with children ages 10 and under. Downstairs meeting room during lunch.

Mr. Bond: Tomorrow's World— The Science Guys show audiences how science builds a better world! New technologies, new forms of energy and a look at science for Tomorrow's World! Kids will use pulleys, defy gravity, have a tug-o-war and launch a catapult! Recommended ages 5+★

Read!Play!Grow! - Ages birth-3 years. Part baby bounce, part literacy minded play, part early literacy education, and a whole lotta fun!

Scratch Jr.: Family Creative Learning Workshops— With PBS KIDS ScratchJr, kids can create their own interactive stories and games featuring their favorite characters from Wild Kratts, Nature Cat, WordGirl and Peg + Cat! The storytelling possibilities are endless with this creative coding app for children ages 5-8.

Sensory Story Time—An interactive and educational program that can be enjoyed by all children, but is especially designed for young children with sensory integration challenges. Recommended for preschool aged children.

Sphero Robots with BB8 — In this 3 part series we will learn what coding and programming is all about. Play with BB8 droids, and discover how to program them to navigate a maze on their own. This is a great fundamental building block to STEM education as well as being really cool. Anyone 6+ is welcome to attend and families are encouraged to come.

Story & STEM—Story time followed by a hands on STEM activity! Recommended ages 5+

Story Time with Mrs. Donovan— Mondays, Wednesdays, & Thursdays at 10am.

There are 3 levels to the Children's Summer Reading Program. Each level will have 6 weeks of reading activities to complete. One sheet may be turned in per week, per child.

Early Lit
Ages Birth-2

Every week, the child will be given an activity card with Early Literacy games. Complete 6 of the 8 activities, and bring back the next week for a new card and a prize!

Readers

Ages 3-entering 1st Grade

Readers are asked to read (or be read to) for at least 20 minutes per day. Keep track of each day you complete the task, and bring it back the next week for a new sheet and a prize!

Advanced Readers
Ages Entering 2nd Grade–
Completed 6th Grade

Advanced Readers should read at least 20 minutes per day. On your reading log, write at least one sentence about what you read— what you liked, didn't like, or something you learned. Complete this once per week, and bring it back for a new log and a prize!

Eat.

Sleep.

Read.
